

EXPERIENCE

- 2015 - Now **Copywriter at DigitasLBi. San Francisco, CA**
Made ads for Taco Bell, PlayStation, and eBay. Got caught playing video games in the office over the weekend wearing a camouflage onesie.
- 2014 - 2015 **UX Copywriter at Telenav, Inc. Sunnyvale, CA**
Wrote a bunch of stuff for a bunch of apps. Launched an app called HopOver.
Learned how to scale a flight of stairs on a pogo stick in full kangaroo suit.
- 2014 **Copywriting Intern at DigitasLBi. San Francisco, CA**
Made ads for Taco Bell. Realized that even though it's possible to survive weeks off of office resources alone, it probably shouldn't be done.
- 2013 **Copywriting Intern at DraftFCB. Chicago, IL**
Worked mostly on MilkPEP "got milk?" and "got chocolate milk?" accounts. Dabbled on KFC social and new business pitches. Didn't get any free milk, but did get shot by a fried chicken cannon.
- 2010 - 2011 **English Teacher at Escola Internacional de Aldeia. Aldeia, Brazil**
Taught, made lesson plans, and selected curriculum for 5th-8th grade advanced English classes.
Caught a kid sneaking out a window mid-lecture.
