## Newsletter Autumn 2014

Thanks to your continued support, the Friends have had a good run of fund raising events during 2014. We look forward to another excellent result at the Christmas Craft Market details of which have been emailed previously or are attached if you receive a hard copy of the newsletter. If you are able to help with the setting up for the craft market we will be at the hall from 4pm on the Friday. Perhaps you could let me know if you can help at this time?

Unfortunately I do not have any news on the window repairs as Sue Reeve has been having difficulties in getting information from various sources, but we will update you as soon as we receive new information. The lime washing situation remains the same, with the builders monitoring a renewed patch of lime wash.

**Mogul Curry Evening Interest.** We are looking to arrange a fundraising Curry Evening at the Mogul in Manningtree sometime in March, but would like to gauge interest before proceeding too far. **If you would be interested in this evening, could you please email or phone me fairly soon to register an interest.** [norma.barrow@keme.co.uk](mailto:norma.barrow@keme.co.uk) 01255 870681. You would not be committing yourself at this stage.
