### Stained Glass Window Project Update

Quotations have been received from the glaziers for the costs of repairing the stained glass windows. These costs do not include the work necessary to repair the masonry around the windows for which separate quotations are still awaited. The architect is now in the process of drawing up the specifications for the masonry work after which the PCC needs to apply for a faculty, obtain 3 quotes, appoint a contractor and apply for any grants available to help with the cost. Some additional cleaning of the windows will be required and there will also be significant scaffolding costs to enable the repair work to be carried out. It has been suggested that in order to keep scaffolding costs down it might be better to tackle the windows in perhaps three or four zones. It is hoped that the PCC will be now able to progress this project through its various approval stages so that a start to the repair work can begin this spring.

### **Gardens Open Day** Sunday June 21<sup>st</sup>

Calling all gardeners!

You only need to look at the photos on our website to know we were blessed in 2014 with good weather and a large turnout of people to view some wonderful gardens. We intend to hold this event again this year, subject to finding enough gardeners willing to open.

Your garden does not have to be weed free, but a space you have developed to your own style that would be of interest to others. It is always a pleasant day with people wanting to chat to you about your garden and the compliments you will receive make the effort seem worthwhile! If you would like to know more about this event or are willing to open please contact Norma Barrow 01255 870681 email [norma.barrow@keme.co.uk](mailto:norma.barrow@keme.co.uk)

We will be running a plant stall at this event so if you have any seedlings, cuttings or divisions you could pot up (with labels) we would be pleased to receive them.

### **Quiz Night** Saturday October 10<sup>th</sup> Community Centre more details to follow

### **Christmas Craft Market** provisional date Saturday 28<sup>th</sup> November

Thank you for your continued support
