

Soul in the City Parents,

Welcome back! The time has finally come for Soul in the City 2018. We are beyond excited for what God has planned this year. First off, thank you for allowing your teenager(s) to attend Soul in the City 2018! This email will serve as your welcome packet since you are now a "Veteran SITC Parent/Camper." Please read in detail before your arrival on July 22<sup>nd</sup>.

Registration Check-in is at 4pm, Sunday, July 22<sup>nd</sup>. At this check-in time you will receive contact names and numbers of the leaders who will be caring for your teenager(s) throughout the week, a schedule for the week, and a list of locations your child will be serving at each day. We have listed some important information below with some other preregistration information to help give your teenager(s) the BEST experience at Soul in the City 2018.

As you know, your teenager(s) will be staying on campus all week at Grace Anglican Church unless otherwise stated by you, the parent. Only in some cases will it be acceptable for your students to leave campus, and if so, we will need to have it in writing from you at registration. Girls will be sleeping in the Administrative Building, while guys will be in the Sanctuary (a completely separate building). **MAKE SURE YOU BRING A SINGLE AIR MATTRESS, PILLOW, AND SHEETS.** This is one of the most important things your student should bring, as our floors are pretty hard and that's where your student will be sleeping all week. We will have a "Snack Shack" for snacks, merchandise and other items available for purchase. In case your teenager(s) might want a camp keepsake, please send your teenager(s) with spending money.

Pick up will be on Friday, July 29th at 8:30pm. If for any reason your student(s) need to be picked up early from Soul in the City, we will need it in writing at registration on the 22<sup>nd</sup>. There will be no early dismissal otherwise. Friday night is special as students share about their experiences throughout the week and how they encountered Jesus. We encourage you to be a part of this night by joining us in the Sanctuary at Grace Anglican Church for a "watch party" as the students enjoy one last evening in the Barn with their fellow campers. More info will be released soon on the timing of this event.

Due to the nature of Soul in the City, we do not allow the students to have their cellphones. Please keep them at home. We will warn your student once about cellphones if they have it and we will keep it until camp ends. We don't allow cellphones because we feel that for one week the students can place their attention on something other than social media, games, and texting their friends. Believe it or not, by the end of the week the students actually enjoy the time they spent away from their phones. In case of emergency, please contact the Camp Director as listed on the contact list you will receive at registration. Campers will be able to contact you for any needs they may have throughout the week.

Upon registration, our camp staff will have a medical form for you to fill out. This will give permission to the Soul in the City staff to administer simple medicines like Ibuprofen and Benadryl. If your teenager will need daily medications, please give our staff those at registration and directions for those medications. Also, if there is anything else we might need to know about your teenager to help better serve them, please let us know at registration. Attached to this email is our packing list. Please read before you begin to pack for your student.

Thank you,  
Soul in the City Staff
