PAW PAW BREWING CO. MOVES INTO NEW LOCATION

Grand Opening Date Announced

PAW PAW, MI (March, 17, 2019)— Paw Paw Brewing Company is excited to announce the opening of their new taproom at 780 South Gremps Street! The pub (formerly at 929 E. Michigan) has matured from a tight 800 sq ft space into 6,000+ sq ft adjacent to the brewery’s over 10,000 sq ft production space. In addition to a sizable stage for performances and more room for patrons, the new location features a full service kitchen, allowing the company to explore new and exciting food offerings. Chef David Lodygowski has become an integral part of the team, helping to build the new kitchen and staff, and is excited to offer a full menu highlighting the great beer produced on site as well as the varied produce available throughout the changing seasons of the great lakes state. The new facility also offers a private rental space available for meetings, private events, and parties. An 80’s themed arcade room, outdoor seating, and a dog friendly patio are just a number of upcoming features the brewery plans to add in the coming years.

Zachary Morris, Economic Development Director for Van Buren County, can’t withhold his excitement and is eager to say how “Van Buren County is proud of the growth made by the Paw Paw Brewing Co. team. They are a great example of passionate people working hard in a business they love and the risk is paying off!” Co-Owners Ryan Sylvester and Eric Pearlstein are “humbled and overjoyed at the opportunity to further invest in the Paw Paw community.”

An official Grand Opening will take place on Thursday, April 4, 2019, with a ribbon cutting ceremony set for 12pm. The Grand Opening celebration will feature live music, beer releases, special menu items, and brewery tours.

Paw Paw Brewing Company was founded in 2010 by Paw Paw resident and Western Michigan University alumnus, Ryan Sylvester. What began with four brewing mainstays, St. James Mild Amber, Jake’s Vanilla Bean Porter, 2 Paws IPA, and Black River Oatmeal Stout, has grown to over one hundred unique recipes and distribution of nearly 20 brands throughout the state of Michigan.

New York International Beer Competition Winner

PAW PAW, MI (February, 26, 2019)— Paw Paw Brewing Company is excited to announce their newly awarded title as Michigan Oatmeal Stout Brewery of the Year! The New York International Beer Competition presented the honor in 2018 after sampling over 600 competing entries from over 14 countries around the world.

Matt Bush of the Better on Draft Podcast and MIBeerBox praised the beer for its complexity, and went on to describe that it “is amazing… [and] not just a plain stout.” Brewery sales manager Donavon was on air with the team January, 25, 2019 to discuss the exciting growth and changes the brewery faces in the coming year.

Brewmaster and owner, Ryan Sylvester, said he “couldn't be more proud of the recognition” and that he is “truly speechless” to receive such praise. Black River Oatmeal Stout is one of the original four recipes brewed by Paw Paw Brewing Company and can be found in 12 oz bottles at retailers statewide.
