

Cinema Workshop Membership Checklist

Cinema Workshop (CW) is a Rowan University funded club, which means that we have a set of requirements we as a club have to fulfill to make the Student Government Association (SGA) happy with what Cinema Workshop has to provide to the university and the community.

An Active CW Member means that you have reached your qualifications as a member by completing all your necessary duties.

By being an active member of Cinema Workshop you get the ability to:

- Work as an above the line position on larger budgeted shoots
 - Producer, Director, Director of Photography, etc.
- Attend the Cinema Workshop Banquet at the end of the each semester
- Run for the Executive Board (Spring Semester)

Therefore, to become and remain an **Active CW Member**, you must achieve each service in the following checklist.

As a **New CW Member**, you must:

- Partake in one **Service Project** per semester (mandatory)
- Attend **2 Workshops** given by the Executive Board
- Attend $\frac{3}{4}$ of the weekly **meetings** per semester (9 out of 14)
- Be a part of a *minimum* of **2 Productions** per semester
 - No Above the line positions on large shoots

As a **Returning Active CW Member** you must:

- Partake in one **Service Project** per semester (mandatory)
- Attend $\frac{3}{4}$ of the weekly **meetings** per semester (9 out of 14)
- Be apart of a *minimum* of **2 productions** per semester

To remain an active member you must fulfill the requirements each semester OR else you will return to **New Member Status** and will have to fulfill those requirements.

Important note: **ALL CW MEMBERS** must partake in **ONE service project per semester** (2 in an academic year). If a member fails to do so then they will not be considered an active CW member and therefore will not be able to experience the perks of being an active CW member.

If you are physically unable to attend the weekly meetings due to work or class you must contact an Executive Board member immediately so there is an understanding of why you cannot make the meetings.
