**RUNNING SCHEDULE**

AAWC wants you and your dog to have a successful run! We understand you may be in the conformation ring or have agility runs at multiple times through out the day, so we want to remain flexible to those needs within the structure of a field trial. AAWC will accept entries for Fast Cat 1 each day on the field from 8am to 11am and

for Fast CAT 2, 8am to 2pm. Exhibitors can submit entries early and return later to inspect and run their dogs. We will hold inspections approximately every 30 minutes for 15 dogs at a time and run those dogs based on a first-come, first-served basis. The first inspections/runs will start at 9am each day. We will have a designated lunch break 12pm-1pm, or as posted at the trial secretary's desk. If there are no dogs running at a given time, we will inspect and run dogs as they come to the event until 4pm each day.

### WHAT MUST MY DOG DO?

Fast CAT is a timed 100-yard dash after a lure past a start line and over a finish line. Dogs run singularly and are released on the start line by an owner or handler and caught at the finish by another person familiar with the dog. Owners/handlers need to arrange someone to help them with catching/releasing their dog as the safety of the dog is aided by being handled by someone they know. **AAWC will not catch or release dogs.** Each dog's run is recorded to the nearest 1/100<sup>th</sup> second.

### CAN MY DOG EARN AN AKC TITLE FOR Fast CAT?

YES! Titles are earned by accumulating points. The time of the dog is converted to MPH and multiplied by a potential handicap based on the dog's height to determine titling points. The handicap system is based on the height of the dog at its withers:

- 18" or greater = handicap is 1.0 (i.e. no handicap)
- 12" up to less than 18" = handicap is 1.5.
- Below 12" = handicap is 2.0.

Titles that are earned:

BCAT = 150 points

DCAT = 500 points

FCAT = 1,000 points

FCAT followed by a number (e.g. FCAT2) for every additional 500 points.

In addition to titles, the Top 20 fastest dogs by Breed are tracked. The AKC Fast CAT website will feature the Top 20 Fastest Dogs by Breed by Year national standings. The standings will be updated as event results are processed throughout the year. Please visit the AKC website for a complete set of Fast CAT rules:
