H. NEW PUBLIC HEARINGS
1. **Specific Plan 2016SP03, General Plan Amendment 2017GP01, Change Of Zone 2017CZ01, Zone Text Amendment 2017ZA06, Certification of an Environmental Impact Report, and Adoption of Findings of Fact, Statement of Overriding Considerations, and a Mitigation Monitoring Program**

Commissioner Carey recused himself due to a potential conflict of interest and exited the chamber.

Gilad Ganish, applicant, and his consultant team presented the project and discussed its design, features of the specific plan, benefits, and rationale.

Brian James, Planning Director, introduced the project and presented factors that should be considered when deciding on a project located in an industrial area and a summary of the findings of the EIR.

James Radek raised potential impacts to school, fire, safety, and service resources. Darlene Love spoke in favor of the project. Patricia Donaldson spoke of support of the project by the Chamber of Commerce and community. Monika Malone, property owner, spoke in favor of the project. Jason Gromski spoke in favor of the project. Dorothy Garrison addressed truck and aircraft noise. Gordon Michael Mego stated that project is unique but wants condos and the parking to meet latest standards. Collene Francis raised concerns about traffic. Brett Horton, SpaceX, spoke in opposition to the location of the project. Ike Mbelu spoke in favor of the project. Amie Shepard spoke in favor of the project. Ruben Sanchez spoke in opposition to the project. Kyle Orlemahn spoke in support of the project. Andreas Vantana spoke in favor of home ownership instead of rental for the project.

Gilad Ganish, applicant, and his consultant team responded to issues raised by the Planning Director and the public.

The Planning Commission discussed the potential issues with the project, such as density, changes in standards, noise, traffic, parking, precedence as well as appreciation for the design, vision, and location near transit and employment.

**Motion by Chairperson Ortiz and Second by Commissioner Alshanableh** for staff to prepare Resolutions recommending City Council approval of the project and certification of the EIR with the requirement that the applicant prepare and present to the City Council an alternative(s) that includes affordable units. The alternative(s) presented to the City Council, to which the applicant agreed, shall analyze the: (a) financial impacts to the applicant; (b) fiscal impact/benefits to the City; (c) achievement of Housing Element objectives; and (d) environmental feasibility of including affordable units within the Project.
