

Do you **CARD** your sharps?

Contain And Responsibly Dispose

What to Do with Used Sharps in Los Angeles County

Put used sharps in a strong, plastic container.*

When the container is 3/4 full, put the lid on, seal it with duct tape, and label DO NOT RECYCLE.

*If you do not have an FDA cleared container made specifically to hold used sharps, a strong, plastic container—like an empty laundry detergent or bleach bottle—may also be used.

Use the Zip Code Search at SafeNeedleDisposal.org to locate a container disposal option near you.

SafeNeedleDisposal.org

Never throw used sharps – loose or in a plastic container – into the trash or toilet, and never recycle.

To receive an FDA cleared sharps container at no cost, please visit www.CARDyourSharps.com†

†To receive an FDA cleared sharps disposal container at no additional cost, please visit www.CARDyourSharps.com. This sharps container is being provided at no additional cost to help sharps users better manage their home sharps disposal generation.
