

2020 Greater Los Angeles Homeless Count - Service Planning Area (SPA) 8 - South Bay

Notes: SPA 8 data does not include the city of Long Beach. · Data from the 2020 Greater Los Angeles Point-In-Time Count estimate the number and demographic characteristics of the homeless population on a single night in January 2020. · Family households, defined as at least one adult over 18 and one child under 18, have two or more members. · Data presented reflect the estimated number of people unless labeled as a household count. · Percent changes for gender are "N/A" because the gender category changed this year to be more inclusive and can't be compared to prior years. · If you have any questions about the data presented, please email datasupport@lahsa.org.
