

# Helping Hand Scholarship

Presented by  
**Alpha Rho Alumni Association**

The **Helping Hand Scholarship** is awarded by the Alpha Rho Alumni Association of Theta Chi Fraternity, Inc. to select outstanding students at the University of Washington. To extend a “Helping Hand” has been the official motto of Theta Chi Fraternity since its founding on April 10, 1856 at Norwich University.

Theta Chi’s maxim, “**Alma Mater first and Theta Chi for Alma Mater**,” refers to some of the key founding ideals of the Fraternity: loyalty to one’s college or university and academic achievement.

The name for the **Helping Hand Scholarship**, therefore, is inspired by our motto and maxim. The scholarship’s purpose is to lend a Helping Hand in the form of a scholarship to undergraduates who demonstrate outstanding personal, philanthropic and academic achievement; and to promote such achievement in the future.
