

Wisdom's Profitable Way

Scripture: Proverbs 3:11–12

Series: **The Way of Wisdom**

FELLOWSHIP

Overview

The way of wisdom is a way of blessing and prosperity. There are many offers of happiness and prosperity available to people but, these offers are not able to deliver on the promise. Only Wisdom from above makes a Christian healthy, wealthy, and wise. Those who seek this wisdom will find it ultimately in Jesus.

Corroborating Texts

Matthew 5:1-10; James 1; 1 Corinthians 1-2

Discussion Questions

1. What is meant by the term “Blessed” in scripture?
2. Wisdom was defined as “understanding that guides us in all of life” and as “applied theology.” What specifically does wisdom look like in real life? How did Solomon describe wisdom in surrounding verses?
3. What are some of the reasons that wisdom is valuable?
4. How do we diligently seek wisdom? What is our strategy and plan?
5. Do you agree that a happy prosperous life does not equate to an “easy life?”
6. What was meant by the statement “all wisdom is biblical, theological, and Christological?”
7. How do we pursue wisdom together in our community? How can we encourage one another to pursue wisdom more diligently?
