Overview

Being able to see is important. Without sight, the world is obscured and dangerous. The world is a dark place in need of light to show us those dangers. **Only the light of Christ can enable you to see in a dark world.**

Discussion Questions

1. When do you find that you need the light most?
2. Why do we sometimes hide the light?
3. How can the light of Christ be dim in us?
4. Describe your spiritual vision. Would you describe it as healthy or as weak or sick?
5. How do we protect ourselves from walking in darkness?
6. What do you need to believe? In what ways do you need to repent? How can you better follow Christ? In what things are you rejoicing? How and when are you sharing this light in your corner of this dark world?
