Kennebec Land Trust
25th Anniversary Celebration & Annual Meeting

Annual Meeting Program
Dear Members and Friends,

Thank you for joining us to celebrate a quarter-century of land conservation in central Maine. Today we are honoring those who founded the Kennebec Land Trust twenty-five years ago, and each of you, our members, donors, conservation partners, and dedicated volunteers. We have all helped build the Kennebec Land Trust, and we deserve to feel a strong sense of pride in our collective success story.

KLT’s mission is to conserve and steward highly valued lands in perpetuity or, as our Capital Campaign emphasizes, for generations to come. To date we have protected sixty properties comprising 4,860 acres in central Maine! Today, seventy dedicated land stewards work with our college and high school interns and staff to maintain our thirty-six miles of trails.

We are very proud of our educational programs and publications, especially our 25th Anniversary Hiking Guide - *Take A Hike!* We hope that both residents of and visitors to central Maine use the *Guide* to explore the many beautiful lands and trails that you have helped conserve.

KLT’s work could not be sustained without your support. Together we are conserving land we love, cultivating a conservation ethic that will be carried across generations, and improving the quality of life in our communities.

With gratitude,

Theresa Kerchner
Executive Director

Brian Kent
President

The Kennebec Land Trust (KLT) works cooperatively with landowners and communities to conserve the forests, shorelands, fields, and wildlife that define central Maine. KLT protects land permanently, offers opportunities for people to learn about and enjoy the natural world, and works with partners to support sustainable forestry and farming.

In recognition of your dedication to the Kennebec Land Trust and land conservation.

Stewardship Award:
Nicole Rhodes, KLT Stewardship Director
In recognition of your service to the Kennebec Land Trust and our communities.

Volunteer Intern Award:
Selena Bachelder
In appreciation for your dedication to land conservation and the mission and history of the Kennebec Land Trust.

Conservation Across Generations

In celebration of 25 years of achievement and with a vision for the future, KLT is launching a $3,500,000 campaign to increase the number of acres permanently conserved; ensure the care and thoughtful use of KLT lands; provide new opportunities for outdoor recreation, nature observation, and hunting; and expand community and statewide partnerships that focus on Maine’s natural resources.

KLT Conservation Fund $2,000,000
Cash gifts, grants, and pledges to KLT’s Land Conservation Fund will support land purchases, stewardship, and landowner assistance; trail construction and maintenance; recreational and educational programs; and trail maps and property boxes.

Donated Land and Conservation Easements $500,000
In addition to purchasing lands with Capital Campaign Land Conservation Funds, we hope during the Campaign to permanently conserve lands worth over $500,000 through donations of land, bargain sales, and landowners’ gifts of conservation easements.

KLT Endowment Fund $1,000,000
Cash, pledges, and KLT Legacy Society planned giving and bequests will support current and future land acquisition, stewardship, and educational programs.

Vienna Woods… A Reflection

The feeling we have about our Vienna land may be best expressed by our great-uncle Stanley, who said, “Having spent just one night here, I’ve lost all interest in going to heaven.” Our land is special to us – like a part of the family. It’s something to be cared for, respected, and protected both now and into the future. Initially we planned to simply leave instructions in our wills that an easement should be put on the land, but we soon realized we could take that step now. We decided to work with KLT to structure an easement that fits our vision for the property and at the same time works for us while we’re still living here. It feels like the right thing to be doing. We’ve also established a legacy for KLT in our wills to help them continue with their efforts.

~Muffy and Jim Floyd, Vienna Maine

The Kennebec Land Trust Hiking Guide: Take a Hike!

In the words of Bob Kimber, Maine author:

Think of this Kennebec Land Trust Hiking Guide as your passport not to exotic climes abroad but to more than twenty-five gem landscapes much closer to home: forests, meadows, hill country, and lands bordering lakes, ponds, and streams, all right here in central Maine.

Thanks to the landowners who have cooperated with the Kennebec Land Trust to protect these lands by sale or donation to KLT, or by conservation easement held by the Trust, these properties are now protected for all time and are open to the public to enjoy.

The KLT Hiking Guide provides a brief history of each property, describes its resources, tells you how to find it, and gives you a map of its trails to use when you get there.

Kid’s Nature Camp

Our second annual Children’s Nature and Art Camp focused on connecting kids to nature through outdoor activities and art. The first week in July, Vaughan Homestead and Kennebec Land Trust staff and interns, area high school students, and local artists led campers, ages six to nine, in creating art, playing games, storytelling, and discovering unique features of the Vaughan Homestead in Hallowell.

This collaboration between the Kennebec Land Trust, the Vaughan Homestead, and the Harlow Gallery offers a range of activities, including ice cream making, tool box building, printmaking, hiking the trails of the 200-acre Vaughan Woods with opportunities to learn about Maine’s plants and animals, and assisting with a Vaughan Woods community service project.

KLT’s 2013 children’s summer program at Small-Burnham Conservation Area in Litchfield focused on exploring the natural world through activities and games that focused on the children using their senses.

We look forward to continuing to offer this summer camp opportunity to area children. Thank you to the Oak Grove Foundation for supporting our 2014 Children’s Nature and Art Camp.

About

With support from the Elmina B. Sewall Foundation. KLT and its collaborators are working to advance forest-based local economies and support the long-term conservation and sustainability of Maine’s woodlands.

This initiative is pursued with a commitment to:
• sustainable forestry
• land stewardship
• strong and resilient local economies
• conservation of both working woodlands and ecological reserves
• reduced energy consumption and transportation costs based on local products
• providing support to landowners, loggers, processors, manufacturers, and consumers

We recognize that our local economy, wood products markets, recreational opportunities, wildlife habitat, water quality, and quality of life are directly connected to the long-term stewardship of Maine’s natural resources.

Thank You KLT Stewards.

Lyceum Speakers & Sponsors

The KLT winter lectures are modeled after the early New England lyceums that began in 1826 in Massachusetts. For many years, New England lyceums hosted lectures, debates, and concerts for public audiences. KLT’s March Lyceum and the associated field programs are supported by Gloria, Lincoln, and Robert Ladd.
