

NEW ORLEANS TRAVEL ARRANGEMENTS.

If you plan to just fish

We recommend staying at Best Western Plus in Chalmette, LA. New Orleans is only 20 minutes away so you can still enjoy the famous food, and nightlife.

If you want to stay in New Orleans

The Ritz Carlton, Riverside Hilton, and Hotel Mazarin are three great hotel options. We can pick you up from your hotel in the city, but it does mean longer drive times to and from the launch.

No matter where you stay, stopping at Penny's Café on the way to the water is a daily tradition where we can grab a nice breakfast and lunch to go.

ON THE BOAT

Clothing

- Polarized Sunglasses (amber colored lens are best)
- Baseball cap or wide brimmed hat.
- Protective clothing to combat cold or hot conditions (it's always more hot/cold on the water than at the launch).
- Comfortable shoes with non-scuff soles.

License

Fishing License: 3-day license is the shortest license available and can be purchased by calling 1-888-765-2602. Make sure to let your operator know you are fishing with a guide (Code 79).

Fishing Gear

I have all the gear you will need on the boat (fly rods 8 and 9 wt, spin gear, leaders, tippetts, flies and baits) so if you don't have any or don't want to travel with it we have you covered.
