

Wonderful Counselor

Words and Music By: Benjamin Shafer

Jesus carried all our burdens
and showed me how not to fear
the weight of the world has been lifted
it's a love that will dry your tears

With a face like a flint
To the chosen place
He knew what had to do
Victory flowed in the wake
He knew what His Father knew

O lord Jesus sing your song
We need your melody

No concern for future or fame
Or fortune of many kings
theres only one voice
that pierces your heart
and give you the final key
