

Break the Chains

(Shafer)

(Verse 1)

Bondage Breaker
You are bigger than my bondage
Jesus Healer
You're stronger than my burdens
And these raging seas surrounding me
Bondage Breaker set me free
Bondage Breaker set me free

(Chorus 1)

**Break the chains Bondage Breaker
Break the chains
Heal the pain my Redeemer
Heal the pain
Set the captive free
Starting here with me
Break the chains Bondage Breaker
Break the chains**

Break the chains

(Verse 2)

Bondage Breaker
You are bigger than my bondage
Jesus Healer
You're stronger than my burdens
And these raging seas surrounding me
Bondage Breaker set me free

(Chorus 1)

**Break the chains Bondage Breaker
Break the chains
Heal the pain my Redeemer
Heal the pain
Set the captive free
Starting here with me
Break the chains Bondage Breaker
Break the chains**

(Bridge)

On Friday You bore all our shame
But Sunday rose up from the grave
Now all our stones have rolled away

(Chorus 1)

**Break the chains Bondage Breaker
Break the chains
Heal the pain my Redeemer
Heal the pain
Set the captive free
Starting here with me
Break the chains Bondage Breaker
Break the chains**

Break the chains Bondage Breaker
Break the chains

Break the chains
Break the chains
