

**Fix My Eyes** (Shafer)

You go before and behind me  
I know You're there  
I call you Blessed Redeemer  
You call me friend

**Ch**

**I fix my eyes on You, Jesus  
I fix my eyes on You, Lord  
Savior of the world  
Author of my faith  
You will finish what You started in me  
I fix my eyes on You**

V2

You hold all things together  
Your word will stand  
You give life everlasting  
I trust your hand

***(repeat Chorus)***

*(Bridge)*

You lead me by Your spirit  
In Your perfect plan  
Nothing can stand against me  
On this Rock I stand  
I stand

***(Chorus 2)***

**I fix My eyes on You, Jesus  
I fix my eyes on You, Lord  
Savior of the world  
Author of my faith  
You will finish what You started in me  
You will finish what You started in me  
I fix my eyes on You**
