AUDUBON SOCIETY OF RHODE ISLAND
2020 SUMMER CAMP

Discover...
Learn...
Explore!
Audubon Camp gets kids, ages 2 ½ to 13, outside to explore a variety of habitats and provides a safe environment to have lots of FUN in nature. Camp instructors are experienced environmental educators with training in education and natural sciences. A comprehensive background check is performed on all camp instructors. Each camp has a low camper to staff ratio: a maximum of 15 campers per 2 staff. In addition, Audubon’s Caratunk camp complies with all regulations set forth by the Massachusetts Department of Health and is licensed by the Seekonk Board of Health.

Age Requirements: Our age requirements have been designed to ensure that your child has an enjoyable camp experience.

Cancellations: A refund less $30 will be issued for cancellations up to three weeks prior to the beginning of the camp session. No refunds will be issued after that date. The Audubon Society of Rhode Island reserves the right to cancel sessions due to low enrollment and a full refund will be issued. Most camp sessions have a minimum of eight and a maximum of 15 campers.

FREE Camp T-shirts: Each camper receives one camp T-shirt per session. Be sure to select size when registering.

Medical Information and Immunizations:
Medical information will be required at time of registration.

Documented information and physical are due no later than FOUR WEEKS prior to your child attending camp.

Due to state regulations, required immunizations include: Measles, Mumps, Rubella (MMR) Vaccine, Polio Vaccine, Diphtheria and Tetanus Toxoids, Pertussis Vaccine, Hepatitis B. Please see the website for details.

Your child WILL NOT be able to attend camp if this medical and immunization information is not provided in advance.

Camp Requirements

Visit www.audubonsummercamp.com for more information and to register
Audubon Nature Center and Aquarium in Bristol:

**EARLY BIRDS Ages 2.5-4 9:00am-12:00pm**
Explore nature with your child or grandchild! Similar to Audubon pre-school programs, our educators will guide you and your little one(s) through indoor activities and outdoor adventures. Circle time, nature stories, short hikes, animal visitors, songs, and crafts will complement each day’s theme.

Register in family teams. 1 adult and 1 child; $190 Members, $240 Non-Members. 1 adult and 2 children; $240 Members, $290 Non-Members (1 extra adult per family team welcome at no cost.)

**FLEDGLINGS Ages 4-5 9:00am-12:00pm**
A half-day camp for young children includes short hikes, nature explorations, stories, animal visits, games and simple crafts. Perfect for youngsters who are not ready for a full day of camp. Children must be toilet trained.

$190 Members, $240 Non-Members

**SEA SQUIRTS Ages 4-5 9:00am-12:00pm**
The perfect adventure for campers who have been to Fledglings and are ready for the next step. Audubon’s salty crew will hike to the shore several times during the week to search for tide pool treasures and seashore critters. Songs, games, animals and lots of FUN are always part of the plan!

$190 Members, $240 Non-Members

**HABITATS, HOMES & HIDEAWAYS Ages 5-6 9:00am-3:00pm**
Does your child enjoy building forts and shelters? This is the camp for them! Campers will seek out animal homes and hideouts in the many habitats found within our wildlife refuge. Based on what is observed and discovered, they will construct nests, dens, lodges and lairs with a wide variety of materials. Creative play, games and nature crafts are woven through the day.

$260 Members, $310 Non-Members

**FINS & FISHES Ages 5-6 9:00am-3:00pm**
Sharks are incredible predators. Pufferfish puff for protection. Flounder are the best at hide and seek. Tautogs lie around all day and male Pipefish carry the eggs. So many fish! So much to discover! Campers will explore the shore, visit the aquarium and dip nets in the pond to find fish, snails, and crabs. They will listen to stories and myths about sharks and other sea creatures, create fishy art, play games and have a FIN time with fellow campers!

$260 Members, $310 Non-Members

**HABITATS, HOMES & HIDEAWAYS Ages 5-6 9:00am-3:00pm**
Does your child enjoy building forts and shelters? This is the camp for them! Campers will seek out animal homes and hideouts in the many habitats found within our wildlife refuge. Based on what is observed and discovered, they will construct nests, dens, lodges and lairs with a wide variety of materials. Creative play, games and nature crafts are woven through the day.

$260 Members, $310 Non-Members
EXPLORE THE SHORE  Ages 5-6  9:00am-3:00pm
What can be found at the shore? A horseshoe or hermit crab? A snail or a slippery fish? This camp is all about life in Narragansett Bay! Campers head to the shore with nets, buckets and water shoes to explore salt marsh, tide pool and rocky shore. Beach art, water play, stories and songs round out this salty adventure.

$260 Members, $310 Non-Members

AMAZING METAMORPHOSIS!  
Ages 5-6  9:00am-3:00pm
Young wildlife scientists will seek out bugs, birds, reptiles and other wild animals and investigate the amazing process of metamorphosis. The lifecycle of frogs, dragonflies, butterflies and more will be explored. Opportunities to raise and release butterflies, as well as water play, games, songs and stories will be a part of the FUN.

$260 Members, $310 Non-Members

NEW!  CREATURES OF THE DEEP  
Ages 7-9  9:00am-3:00pm
Uncover the mysteries that lie at the bottom of the sea! Who lives in these deep dark places? How do they survive? Join our team of scientists to discover more about the strange world of the deep ocean through activities, games and experiments. Explore rocky shore and saltmarsh habitats and visit our aquarium to observe marine creatures up close. Water play, hikes and crafts are included in the fun.

$260 Members, $310 Non-Members

COASTAL ADVENTURES  
Ages 7-9  9:00am-3:00pm
Narragansett Bay is full of wonder and surprise! Join the Audubon marine team and head for the shore to investigate tide pools, salt marshes and the Bay. Campers drag seine nets, turn over a rocks and peer through a lens to discover the amazing marine life found in the Ocean State. Nature games, creative arts, stories and science challenges are part of this marine adventure.

$260 Members, $310 Non-Members

NEW! WILDLIFE TRACKERS  
Ages 7-9  9:00am-3:00pm
Campers practice the ancient art of wildlife tracking as they hike along trails through woods, wetlands, beaches and fields. Learn to read the signs that animals leave behind. Who made that track in the mud or that hole in the tree? Who’s making that sound? Kids learn to read the signs that animals leave behind and follow the clues to discover who lives in each habitat. We’ll even track each other! Games, experiments, and crafts are all part of the fun!

$260 Members, $310 Non-Members
NEW! SURVIVAL CHALLENGE  
Ages 7-9 9:00am - 3:00pm  
Join the tribe that survives! Campers design a tribal flag, choose a mascot and work as a team to take on daily challenges, solve puzzles and have fun while building skills and fostering creativity. They will build rafts that will float a mascot across the pond and design a catapult that will send an acorn over the walls of a fort! Water activities, relay races, scavenger hunts, and games are all part of the plan.  
$260 Members, $310 Non-Members

MARINE BIOLOGY CAMP  
Ages 10-12 M-Th 9:00am -3:00pm & Friday late day pick–up 5:30pm  
The Audubon marine team will explore life in and around Narragansett Bay using scientific tools and techniques. Campers will try their hand at seine netting, wildlife surveys and species dissection. They will also learn about aquaculture from professionals and set up their own tank of critters to care for during the week. A day trip to the Narragansett Bay National Estuarine Research Reserve (NBNERR) on Prudence Island will top off this fabulous adventure! On Friday, campers meet at the Bristol ferry dock and ride the ferry with Audubon over to work with expert marine educators who will guide them through explorations of salt marshes, streams, and eel grass habitat.  
$275 Members, $325 Non-Members (prices include ferry ride)

BIRDS OF PREY Ages 10-12 9:00am - 3:00pm  
This camp focuses on falcons, hawks, owls and other raptors! Their unique adaptations are explored through activities, games, and hands-on projects. Campers observe Audubon’s resident birds and the wild species that live on the refuge. Activities may include bird watching with binoculars and scopes; nest box building; dissecting owl pellets; creating enrichment challenges for the birds and other “behind the scenes” opportunities. Campers become experts on raptors and may even consider a career with this amazing group of birds.  
$260 Members, $310 Non-Members

TRAVELING NATURALISTS:  
Ages 10-12 M-Th 9:00am - 3:00pm & Friday late day pick-up 5:30pm  
Hop in the new Audubon van and head out to explore wildlife refuges around the state! Campers hike the trails and investigate various habitats using binoculars, nets, field guides and other tools. They learn about native flora and fauna from expert naturalists and scientists and kayak along the Wood Pawcatuck River with professional guides. The week wraps up with a trip to Prudence Island to explore the salt marshes with the staff of the Narragansett Bay National Estuarine Research Reserve. This camp has a late day on Friday, and it is limited to 12 participants.  
$300 Members, $350 Non-members  
(prices include all fees such as kayak rental, river guides, ferry tickets, etc.)

NEW! HABITAT INVESTIGATIONS Ages 10-12 9:00am - 3:00pm  
Led by Audubon naturalists, campers become biologists and investigate the habitats of the McIntosh Wildlife Refuge. They head outside to discover the flora and fauna that live in the woods, fields and wetlands of this diverse property. Building scientific skills, playing games and creative art are part of the fun!  
$260 Members, $310 Non-Members
