2022 SUMMER CAMP

HANDS-ON NATURE EXPLORATION AND DISCOVERY!

audubonsummercamp.com

KIDS DISCOVER NATURE AT AUDUBON CAMPS

Audubon Summer Camp gets kids, ages 2½ to 12, outside exploring nature in fields, forests, ponds, streams, and the coast of Narragansett Bay. Two camp locations provide safe and inviting natural environments for exploration, creativity, hands-on science, and plenty of fun!

Two Locations!
Weekly Sessions!

Camp instructors are experienced environmental educators with training in education and natural sciences. A comprehensive background check is conducted on all Audubon personnel. Modifications to camp procedures will be made as needed to abide by the most up-to-date Rhode Island and Massachusetts health guidelines.

AUDUBON NATURE CENTER AND AQUARIUM BRISTOL, RI

EARLY BIRDS

Ages 2.5-4 • 9:00am-12:00pm

Explore nature with your child or grandchild! Similar to our other pre-school programs, Audubon educators will guide you and your little one(s) through indoor activities and outdoor adventures.

Circle time, nature stories, short walks, animal visitors, songs, and crafts will complement each day's theme.

Register in family teams. 1 adult and 1 child \$200 Members, \$250 Non-Members (add extra \$50 for additional child - 2 children max)

EXPLORE THE SHORE

Ages 5-6 • 9:00am-3:00pm

Can you spot a horseshoe or a hermit crab? A snail or a slippery fish? This camp is all about life in Narragansett Bay, so we'll head to the shore with nets, buckets and water shoes to explore salt marsh, tide pool and rocky shore. Beach art, water play, stories and songs round out this salty adventure.

July 5-8, four-day holiday week pro-rated. \$275 Members, \$325 Non-members

SEA STARS

Age 5 • 9:00am-12:00pm

This adventure is for first time campers who are ready to visit the shore to look for tide pool treasures and seashore critters, but not quite ready for a full day of activities. Our salty crew will meet new friends, sing songs, play games, and meet live animals. Lots of FUN is always part of the plan!

July 5-8, four-day holiday week pro-rated. \$160 Members, \$200 Non-Members

FLOAT, FLY & HOVER

Ages 5-6 • 9:00am-3:00pm

Discover plants and animals that float, fly, soar and more! Explore the lives of birds, insects, bats and mammals that move through the air with the greatest of ease. Experiment with flying objects and make your own hovering crafts. Trail explorations, games, water play, and live animals will add to the fun!

\$275 Members, \$325 Non-members

DIGGING IN THE DIRT!

Ages 5-6 • 9:00am-3:00pm

Who lives under logs, leaves and soil? Discover the creatures who live beneath our feet. Look for insects, crustaceans, and salamanders in a variety of habitats. Discover how soil is made and make your own mixtures. Games, live animals, stories, water play and crafts are always part of the fun!

\$275 Members, \$325 Non-members

DINOSAUR DAYS

Ages 5-6 • 9:00am-3:00pm

Travel back in time to the prehistoric world of dinosaurs. Learn dinosaur facts and fiction, and meet some of their friends and relatives! Uncover fossils and join an archeological dig. Go on a scavenger hunt and more! Games, crafts, live animals and stories are woven throughout the week!

FINS & FISHES

Ages 5–6 • 9:00am–3:00pm

Sharks are incredible predators. Pufferfish puff for protection. Flounder are the best at hide and seek. Tautogs lie around all day and male pipefish carry the eggs. So many fish, so much to discover! Explore the shore, visit the aquarium and dip nets in the pond to find fish, snails and crabs. Hear stories and myths about sharks and other sea creatures. Create fishy art, play games and have a good old FIN time!

\$275 Members, \$325 Non-members

SKY HUNTERS

Ages 7–9 • 9:00am–3:00pm

Explore the creatures that command the skies -- raptors, dragonflies, and bats are just a few who hunt on the wing. Hike the trails to look for hawks and other fantastic flyers. Investigate the adaptations of animals that fly and construct your own flying objects. Live animals, games, water play and arts & crafts are always included in the fun.

\$275 Members, \$325 Non-members

COASTAL ADVENTURES

Ages 7–9 • 9:00am–3:00pm

Narragansett Bay is full of wonder and surprise! Join the Audubon marine team and head for the shore to investigate tide pools, salt marshes and the Bay. Drag a seine net, turn over a rock and peer through a lens to discover the amazing marine life found in the Ocean State. Nature games, creative arts, stories and science challenges are part of this marine adventure.

NATURE QUEST

Ages 7–9 • 9:00am–3:00pm

This exciting new camp takes the idea of virtual gaming and makes it "Live in Nature." Each day campers work together on a quest that combines creative and imaginative play and active exploration in nature. Questers look for hidden treasures, seek out food sources for their animals, develop plant and animal superpowers, and gain "fuel" points for the group as they complete their missions! Games, stories, water play, live animals and crafts are always included in the fun.

\$275 Members, \$325 Non-members

BUILDING IN NATURE: FORTS, BOATS & MORE!

Ages 7–9 • 9:00am–3:00pm

Investigate nature's amazing construction projects! Discover nests, dams, and tunnels and the animals that make them. Build shelters and forts with materials found outside. Design a boat that floats, create miniature houses for tiny critters, or construct a bridge for animals to cross. Trail explorations, games, live animals, art and stories will round out the week's adventures.

\$275 Members, \$325 Non-members

CREATURES OF THE DEEP

Ages 7–9 • 9:00am–3:00pm

Uncover the mysteries that lie at the bottom of the sea! Who lives in these deep dark places? How do they survive? Join our team of scientists to discover more about the strange world of the deep ocean through activities, games and experiments. Explore rocky shore and saltmarsh habitats and visit our aquarium to observe marine creatures up close. Water play, nature walks and crafts are included in the fun.

\$275 Members, \$325 Non-members

MARINE BIOLOGY CAMP

Ages 10–12 • M–Th 9:00am–3:00pm, F 9:00am–5:30 pm

The Audubon marine team will explore life in and around Narragansett Bay using scientific tools and techniques. Campers will try their hand at seine netting, wildlife surveys and species dissection. We will also learn about aquaculture from professionals and set up our own tank of critters to care for during the week. A day trip to the Narragansett Bay National Estuarine Research Reserve (NBNERR) on Prudence Island will top off this fabulous adventure! On Friday, we meet at the Bristol ferry dock and ride the ferry over to work with expert marine educators who will guide us through explorations of salt marshes, streams, and eel grass habitat.

\$290 Members, \$340 non-Members

Price includes Prudence Island ferry fees.

TRAVELING NATURALISTS

Ages 10–12 • M–Th 9:00am–3:00pm, F 9:00am–5:30 pm

Hop in the Audubon van and head out to explore wildlife refuges around the state. Hike the trails and investigate various habitats using binoculars, nets, field guides and other tools. Learn about native flora and fauna from expert naturalists and scientists. Kayak along the Wood Pawcatuck River with professional guides. Finish the week with a trip to Prudence Island to explore salt marshes with the staff of the Narragansett Bay National Estuarine Research Reserve. This camp has a late day on Friday, and it is limited to 12 participants.

\$320 Members, \$370 Non-members
