

## *The Parables of Jesus*

During Jesus' earthly ministry, he often taught his disciples through parables. However, unlike the scribes and Pharisees, he used these story illustrations not to teach Old Testament principles but to reveal new insights into the Kingdom of God. What does God want us to learn from the Parables of Jesus? Join us weekly between worship services at 9:40 a.m. Everyone is welcomed in this hands-on adult Bible study.
