We are proud to invite you to hear Gianna Jessen October 7th at the Eastmont High School auditorium at 6:00 PM.

Gianna Jessen is an American pro-life and disability rights activist. She is a survivor of a failed saline abortion attempt. Jessen was born April 6, 1977 in Los Angeles, California. Her medical records indicate that she was born in the 30th week of pregnancy to a 17-year-old girl during a failed saline abortion. Jessen's birth certificate is signed by the doctor who was performing the abortion. This is a story worth listening.

Learn more about Gianna and her phenomenal journey. She also testified before congress during the Planned Parent Hood hearings in 2015.
