Connection Group
Meets each Sunday

All adults welcome.**

Beginning January 7th, The Way Connection Group will begin studying 2nd Peter with Jeff Sandberg teaching. Peter, long seen as the leader of the apostles, wrote this his second letter to warn Christians to hold fast to the written Word - the Scriptures - in order to protect themselves against and to expose false teachers.

Chapter 1 reminds the recipients of this letter of the amazing gift of salvation given them. It, then, closes with a defense of the Scriptures in direct juxtaposition to Peter's experience on the mouth of Transfiguration. Chapter 2 was written to identify, expose and disarm false teachers and to prepare Christians to face them head-on. Chapter 3 ends with a reminder that Christ will come again and that fulfilled prophecy - which will ultimately prove the written Word true - will be fulfilled in God's timing.

Our ultimate hope is that Christ will return someday to take care of sin, death, and hades once and for all. Peter's contention is that Scripture is to be given highest regard - not experience or feelings - as we expose those who would steal the hope of the true believer and await Christ's return. I hope you join us as we study through Peter's writing what it means to have true hope in the future God has for us.
