Our address is Unit 48, 378 Parramatta Road Homebush. Our office is located in the Homebush Business Park on the south side of the Parramatta Road, immediately to the east of the railway bridge over Parramatta Road (servicing Olympic Park), see the following map and photographs. The Homebush Business Park can only be entered by turning left from the west bound lanes in Parramatta Road.

If you are travelling west along Parramatta Road, turn left into the last driveway before the railway bridge over Parramatta Road (immediately past the Ateco Automotive Building). Don't miss the turn, otherwise do you will need to do several U-turns to get back.

If you are travelling east along Parramatta Road, you will need to turn right at the first set of lights past the railway bridge (at Kia Automotive) into the Goodman Business Park. Do a U-turn in the Goodman Business Park driveway and turn left back onto Parramatta Road (heading west). Our office is located between the Ateco Automotive Building and the railway bridge over Parramatta Road.

Our office is towards the rear of the site; it is the first unit on the right hand side (roughly where the "A" is on the map).
