## Background information

Professional experience with all formats including 35mm, 16mm, super 8mm, Alexa, D21, Genesis, RedOne, HD, DSLR, HDV, P2 card based formats and SD. Professional location and studio experience plus greenscreen, pyro, optical special effects, ultra hi-speed photography, extensive grip equipment (including cranes), experience operating with geared head and large scale lighting set ups (including lighting large areas for moonlight). Access to Canon 7D with lenses. Great relationships with rental houses, labs, film crew and skilled filmmakers from all departments. Background working in cinemas in previous life (Curzons, BFI Southbank) which reinforced my sense of history and context of cinema. Love to work closely with director and other HODs to achieve the vision, story and mood. Keen player of guitar and lover of music. Featured as up and coming cinematographer in Kodak Vision magazine and Regional Film and TV news. Represented by Vision@Wizzo as of 2012 and Wizzo Features as of 2013.

Completed MA in Cinematography at the National Film and Television School under tutorage including Brian Tufano BSC (Trainspotting; A Life Less Ordinary; Billy Elliot; Quadrophenia) Roger Deakins ASC BSC (No Country For Old Men, Fargo, Shawshank Redemption) and Sean Bobbitt BSC (Hunger)

Completed BA in Film and Video at the London College of Communication

D.O.B: 16th January 1981

Nationality: British
