Academic Address:

Department of Psychiatry, Box 1230
1 Gustave L. Levy Place
The Mount Sinai School of Medicine
New York, NY 10029

Practice/Mailing Address:

5 East 94th Street
New York, NY 10128

New York State License: 012783
NPI: 1629017330
Registration Expiry Date: 4/30/2020
Telephone: 212.828.4780
Citizenship: United States

EDUCATION

Ph.D., Clinical Psychology, 1995
Graduate Faculty, the New School for Social Research
New York, NY

M.A., Social Psychology, 1986
University of California at Berkeley
Berkeley, California

B.A., Psychology, 1984
Brandeis University
Waltham, Massachusetts
Magna cum Laude with Honors in Psychology

LICENSURE:

New York State License Number 012783, issued 7/9/96

ACADEMIC APPOINTMENTS

ICAHN SCHOOL OF MEDICINE AT MOUNT SINAI (January 1995-present)

Instructor of Psychiatry 1995-1997

Assistant Professor of Psychiatry 1997-2006

Assistant Clinical Professor of Psychiatry 2006-Present

Director of Psychology Training 1996-2012

Director of Neuropsychological Testing and Evaluation Center, 1995-2006

Co-Director of Neuropsychological Testing and Evaluation Center, 2006-2012

Development, direction, overall administration of Adult Clinical Psychology Externship, Adult Clinical Internship, and Postdoctoral training programs, including recruitment of trainees, planning of didactic program, integration of the training programs with the Department of Psychiatry, establishment of liaison with inpatient units and outpatient psychiatry, gero-psychiatry and geriatric medicine services. Founded the Psychological Services Clinic, in which psychology trainees treat psychotherapy patients. Established a supervising staff of Mt. Sinai faculty and clinical associates for the supervision and teaching of trainees. Teaching and supervision of psychology trainees. Program has become the basis for the Neuropsychological Testing and Evaluation Center, providing neuropsychological assessment services for the entire Medical Center. Teach curriculum in projective and neuropsychological assessment for first, second and third year residents, as well as for geriatric psychiatry fellows. Lecture on these topics generally and more specifically, with regard to the assessment of dementia, personality disorders and other diagnoses; also regularly speak on importance of tissue donation in Alzheimer's disease research. Also responsible for development of a large database that is now being used for analyses of neuropsychological deficits in early dementia. New research focuses on factors influencing healthy aging.

ICAHN SCHOOL OF MEDICINE AT MOUNT SINAI (July 2003-present)

Adjunct Faculty Member, Neuropsychology Training Program

Department of Rehabilitation Medicine

NEW SCHOOL FOR SOCIAL RESEARCH, THE GRADUATE FACULTY

DEPARTMENT OF PSYCHOLOGY

Extended Faculty Appointment

January 1995-present

ST. JOHN'S UNIVERSITY

DEPARTMENT OF PSYCHOLOGY

Affiliate Clinical Professor of Psychology

1997-2000

PROFESSIONAL EXPERIENCE:

MT. SINAI MEDICAL CENTER, New York, New York

INPATIENT/OUTPATIENT PSYCHIATRY SERVICE, CONSULTATION-LIAISON

SERVICE (PSYCHIATRY/MEDICINE)

MEMORY DISORDERS/GEROPSYCHIATRY CLINIC

ALZHEIMER'S DISEASE RESEARCH CENTER

MARTHA STEWART GERIATRIC MEDICINE PRACTICE

(January 1995-2012)

Director, Neuropsychological Testing and Evaluation Center, Attending Psychologist. Provide neuropsychological assessment services for all services listed above, including focused evaluations of questionable dementia, general cognitive functioning, and psychopathology in the context of aging.

PRIVATE PRACTICE, New York, New York (1996-Present)

Have performed and supervised over 3000 child, adolescent, adult and geriatric neuropsychological evaluations/consultations, including cognitive and personality evaluations, learning disabilities, school failure, attention deficit disorder; memory disorders, forensic consultations and independent medical examinations (IMEs). Have worked on both defense and plaintiff's cases. Cases include traumatic brain injury, psychological sequelae of physical injury in children, lead poisoning, competency, medical malpractice, child custody evaluations (evaluations of parents and children), and disability determination.

CONSULTANT FOR PRIVATE AND PUBLIC SCHOOL STUDENTS: (1996-Present)

Evaluations and consultations for students at Calhoun, Dalton, Regis, Horace Mann, Fieldston, Riverdale, Birch Wathen Lenox, The Child School, LaGuardia, Hackley, Nightingale-Bamford, Taft, St. Ann's, and many others.

DISTRICT NEUROPSYCHOLOGIST, Mount Vernon Board of Education, 2007-2011.

CITY UNIVERSITY OF NEW YORK, Research Award Program, GRANT REVIEWER (December 2004 – 2013)

External reviewer of faculty grant proposals.

ST. LUKE'S ROOSEVELT HOSPITAL (September 1994-July 1995)

PROGRAM FOR CHILDREN AND FAMILIES

Neuropsychological Assessment Consultant, part-time

Neuropsychological and cognitive assessment of HIV+ children and adolescents aged 3 months to 15 years as part of research project intended to measure cognitive and emotional impact of HIV status, and make appropriate treatment referrals.

INSTITUTE FOR TECHNOLOGICAL PSYCHOLOGY, 1993-94

Psychodiagnostic Assessment Consultant, part-time.

MANHATTAN PSYCHIATRIC CENTER, 1986-87

Program Evaluation Specialist, Department of Quality Assurance

Designed and implemented research programs investigating, e.g., program cancellations on inpatient units, patient falls, medical record transfer and usage.

TEACHING EXPERIENCE

ICAHN SCHOOL OF MEDICINE AT MOUNT SINAI, 1995-Present

Regular lectures to psychology interns and externs, rehabilitation medicine interns and fellows, and psychiatry and neurology residents on neuropsychological assessment, neuropsychology of normal aging and dementia, projective testing, and other topics.

TOURO LAW CENTER'S AGING AND LONGEVITY LAW INSTITUTE, 2013

Guest lecturer on Capacity Evaluation, with Professor Peter Strauss

NEW YORK LAW SCHOOL, 2012 and 2013

Guest lecturer on Capacity Evaluation in Elder Law, Professor Peter Strauss

CABRINI SCHOOL OF MEDICINE, 1999-2004

Introduction to Neuropsychological Assessment in Psychiatry and Geriatric Psychiatry, annual course taught at PGY-1 & 2 level.

NEW SCHOOL FOR SOCIAL RESEARCH, Spring 1994

Teaching Assistant, Practicum in Clinical Interviewing.

Assisted in planning and teaching of course covering the initial phase of the therapeutic process, Supervised students. Issues covered include recommendation of differential therapeutics, therapist-patient matching, technical handling of early problems, and treatment planning.

NEW SCHOOL FOR SOCIAL RESEARCH, Fall 1993

Teaching Assistant, Practicum in Assessment as a Clinical and Research Tool.

Assisted in planning and teaching of course covering intelligence and personality testing in adults and adolescents; supervision of students' protocols.

UNIVERSITY OF CALIFORNIA AT BERKELEY, Spring 1985

Teaching Assistant, Introduction to Social Psychology.

Conducted three lectures each week on topics in social psychology, supervised students' research projects.

UNIVERSITY OF CALIFORNIA AT BERKELEY, Fall 1984

Teaching Assistant, Introduction to Developmental Psychology.

Conducted three lectures each week on topics in developmental psychology, supervised students' research projects.

FORENSIC EXPERIENCE/TRIAL APPEARANCES

Plaintiff Expert Witness, *Personal Injury*, Suarez v. The State of New York, Westchester County, New York, 2016.

Plaintiff Expert Witness, *Personal Injury*, Los Angeles, California, 2015.

Defense Expert Witness, *Personal Injury/Medical Malpractice*, Arkansas, 2015.

Expert Witness, *Matrimonial Capacity*, Suffolk County, New York, 2015.

Defense Expert Witness, *Personal Injury/Medical Malpractice*, Jefferson County, Kentucky, 2014.

Expert Witness, *Testamentary Capacity*, New York Supreme Court, 2010.

Defense Expert Witness, *Personal Injury*, New York State Office of the Attorney General (2 cases, 2001).

Plaintiff Expert Witness, *Capacity*, District Court of Southern District of Florida.

Defense Expert Witness, *Personal Injury*, Rockland County, New York, 2004.

Plaintiff Expert Witness, *Personal Injury/Medical Malpractice*, Pickens County, South Carolina, 2004.

Other cases upon request.

CLINICAL TRAINING

BRONX LEBANON HOSPITAL, Fall 1994.

DEPARTMENT OF PSYCHOLOGY (Within Pediatrics)

Bronx, New York

Child Assessment Trainee: Underwent training in the use of the Bayley Scales of Infant Development.

ALBERT EINSTEIN COLLEGE OF MEDICINE, BRONX PSYCHIATRIC CENTER AND
BRONX MUNICIPAL HOSPITAL CENTER, 1992-93

Bronx, New York

APA approved Clinical Psychology Internship: Year-long, full-time position on an acute inpatient unit.

Primary therapist to psychiatric inpatients; diagnostic assessment of children, adolescents and adults; group therapy, family therapy; psychiatric emergency room rotation (North Central Bronx Hospital); outpatient psychotherapy .

GRACIE SQUARE HOSPITAL, 1991-92

New York, New York

Psychology Extern: Rotations on eating disorder and dual-focus unit.

Primary therapist to psychiatric inpatients, especially eating disordered and MICA patients; assessment of cognitive functioning and personality dynamics in adolescent and adult psychiatric inpatients; participation in treatment team; milieu therapy; family therapy; and case conferences.

SOUTH BEACH PSYCHIATRIC CENTER, 1990-91

Psychology Extern: Placement in both outpatient clinic and day hospital setting.

Heights Hill Outpatient Mental Health Clinic and Adult Day Treatment Program

Brooklyn, New York

Conducted long-term psychotherapy with psychiatric outpatients; diagnostic assessment in psychiatric outpatients, participated in weekly testing seminars, professional topics seminars, high-risk meetings, and case conferences.

NORTH CENTRAL BRONX HOSPITAL, Spring 1990

Bronx, New York

Assessment Practicum: Assessed cognitive functioning and personality dynamics in adult inpatients.

SOUNDVIEW THROGSNECK CLINIC, Fall 1989

Bronx, New York

Clinic Interviewing Practicum: Conducted psychiatric interviews with low-functioning outpatients.

NEW SCHOOL FOR SOCIAL RESEARCH, Fall 1989

Assessment Practicum: Assessment of cognitive functioning in adults.

PROFESSIONAL TRAINING

Personal Injury Examination, Continuing Education Workshop (16 hours) at the May 1999 meeting of the American Academy of Forensic Psychology in Philadelphia.

Introduction to Forensic Psychology, Continuing Education Workshop (8 hours) at the 1998 meeting of the American Psychological Association in San Francisco, taught by Dr. Allan Goldstein.

Child Abuse Detection and Reporting Course (in fulfillment of the Licensure requirement), 1995.

Treating Sexual Abuse Victims, South Beach Psychiatric Center, 1991. Assorted CME workshops at conferences.

AWARDS, FELLOWSHIPS, HONORS

New School Scholarship, New School for Social Research, 1990-91

Dean's Fellowship, New School for Social Research, 1987-1990

Mazer Fund Grant for Undergraduate Research, Brandeis University, 1983-84

COMMITTEES

Advisory Committee, Training Grant, Bronx Veteran's Administration Medical Center, Bronx, New York, 8/2002-2012

INVITED REVIEWER

Applied Neuropsychology: Adult, 2015. Peer reviewer of manuscripts on mild cognitive impairment, memory and learning.

Neuropsychology: American Psychological Association, 2013 - present. Peer reviewer of manuscripts on aging and memory disorders.

Journal of Psychiatric Research: Elsevier, 2009. Performed formal peer reviews of manuscripts on topics pertaining to mild cognitive impairment, aging and depression.

Hunter College, City University of New York, 2004-2006. Performed reviews of faculty grant proposals and made funding recommendations.

PRIOR AND CURRENT FUNDED RESEARCH

Primary Investigator, Alzheimer's Disease Cooperative Study (ADCS), Mt. Sinai Site, *Alzheimer's Disease Primary Prevention Trials Instrument Study* (appointment October 2001), GCO #91-208.
Coordinator of Mount Sinai Brain Bank.

Site Neuropsychologist, *Alzheimer's Disease Prevention Trial with Estrogens*, Mary Sano, Ph.D., Principal Investigator.

Neuropsychologist, *Program Project Grant*, Harry Haroutunian, Ph.D., Director.

Neuropsychologist, *Mt. Sinai Alzheimer's Disease Research Center*, Mary Sano, Ph.D., Director.
Coordinator of Mount Sinai Brain Bank.

Co-Director, Neurocognitive Substudy, *Future REvascularization Evaluation in Patients with Diabetes mellitus: Optimal management of Multivessel disease* (FREEDOM trial), Valentin Fuster, Principal Investigator.
