GREETING CARDS & GIFTS

SPRING 2017

They say change is good. It fills tip jars, supplies our kids with lucky pennies, and keeps us on our toes! This year has been no exception.

We've been busy designing fabulous new cards, enamel pins and limited edition prints, as well as bringing our illustrations to new formats, from custom photo books to day planners and fabrics. And, we've been working on a brand new DIY snail mail crafting book, *Happy Mail*, available from Walter Foster Jr. in September 2017! Follow us on social media to be the first to hear about our newest releases!

Finally, we're thrilled to introduce six new nature-inspired cards featuring wood block prints by our aunt, the late and much beloved Ginny Pezalla (p. 11). A compassionate science teacher, artist, and naturalist, Ginny's creative wood block prints inspired us as kids and have remained fresh over the years. A portion of proceeds benefit the World Wildlife Fund.

We are so grateful for your support and inspiration!
