Experience

CREATOR AND EXECUTIVE PRODUCER, HYPOTHESIS, JUNE 2014 - PRESENT

Hypothesis is a one hour podcast focusing on life sciences research being conducted in the greater Boston area and across Massachusetts. Each episode, we take an in-depth look at a fundamental question with a variety of researchers from different disciplines who are all trying to answer it from their own perspective.

PROJECT MANAGER, SMALL DESIGN FIRM, INC. APRIL 2014 - PRESENT

Manage and organize a team of ten programmers and designers to create interactive informational installations for such clients as the Boston Public Library, The Folger Shakespeare Library, The Nobel Peace Center, and many more.

ASSOCIATE PRODUCER, NPR'S HERE AND NOW, BOSTON, MA – August 2012-April 2014

Conceive, prepare, produce and edit one to three radio segments per day to air on national radio. Part of the seventeen member team of producers, hosts and engineers that produces NPR's daily mid-day news magazine show, Here and Now, the first collaboration between NPR and a member station to create flagship programming. Serve as General Assignment producer, in addition to working with science, music and media analysis correspondents.

PRODUCER, WYPR -FM, BALTIMORE, MD – MAY 2008 - AUGUST 2012

Producer for the station's regional news magazine, Maryland Morning with Sheilah Kast, covering a variety of topics with special attention on science, gender issues and military beats. Also served as fill-in local host, director and engineer for broadcasts of Morning Edition and Maryland Morning. Created a website and a social media presence for the show which is now a mandatory part of daily production. Independently created a four part series on the lives of women in military service.

PRODUCTION ASSISTANT, MICHIGAN RADIO, ANN ARBOR, MI – April 2006 - May 2008

Produced for The Jack Lessenberry Show, local broadcasts of Morning Edition as well as in Michigan Radio's newsroom. Reported, voiced and edited a three minute feature report on the mortgage foreclosure crisis which was part of an award winning series that aired during Morning Edition and All Things Considered.
