

In the Spring and Fall we host a few weekend trips to New Meadow where we take 5-6 girls down with a staff member to do a riding vacation weekend. It is a great way to expand their riding experiences in a safe and fun environment with people you know and trust. Here are all of the trip details:

It is going to be a really fun trip! We will leave on Friday after school from Ashford around 4:00 PM (if we can hit the road earlier, we will). The trip is about 5 hours, we will be taking a suburban. On the way down we will stop for dinner and restroom breaks. On Saturday we'll get to ride in lessons and on the trail and spend a lot of time with the horses in the barn. We have a covered arena, so we'll ride regardless of weather conditions!

Saturday night, we'll go out to dinner and a movie or to a special event at the nearby Virginia Horse Center. Sunday morning we will ride again and then head back to Philadelphia after lunch. We should be back at Ashford around 6:00 PM, we will have them call you when we arrive on Friday night and when we're about half an hour away from the farm on Sunday. It's a great weekend for riding and an exciting way to visit New Meadow and to make new friends!

If you want to sign your child up for a riding weekend, please email or calling us at Ashford:610.825.9838.
