

Ashford Farm Winter Pony Club 2018

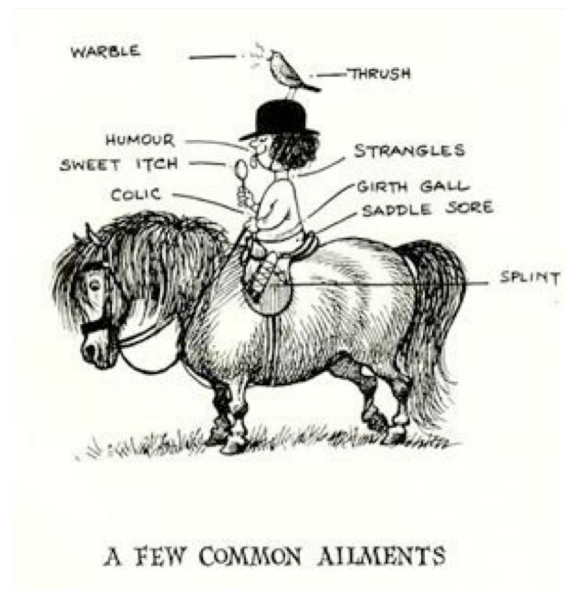

As you know, there is much more to horses than just riding. During the winter months we offer pony club classes. These classes give children the opportunity to spend time with the horses, while learning proper horse care. Lessons include grooming, tacking, first aid, conformation, proper feeding, and studying colors and breeds. They experience the true meaning of horsemanship, continue their barn friendships, and expand their equine skills. We will not be riding during these classes. We hope to see all of our young students continue learning about horses regardless of the weather
