

TALON 540

Volume 9, Issue 12

Put on Your Armor...

Because we are going to battle! Again!

Now, TALON 540 will be heading due north to attend our second and final district competition! We have prepared long and hard, making revisions and modifications to TALON 9.0 so that it is optimal for battle.

Last districts, in Blacksburg, TALON 540 was picked to be on the 8th seed alliance, where we advanced to elimination rounds. We put on a tough fight between the first seed alliance, losing by a very slim margin. Although we did not make it to semifinals, we were able to bring home the Engineering Inspiration award, allowing our EI team to advance to states in attempts to win the same award there as well.

This districts competition, however, we want to go further and take home the Holy Grail for real! Our goal is to make it to finals.

FIRST Chesapeake District Competition

Farm Bureau Center

13191 Dawn Blvd., Doswell, VA 23047

Come support TALON 540 on March 25th and 26th!
