To Whom It May Concern:

The Town of North Haven has instituted the IDLife Corporate Wellness and Non-Profit Programs for the Employees and Citizens of the Town of North Haven. We are most pleased with our experiences since partnering with IDLife.

We believe that these programs provide the Employees and Citizens of the Town of North Haven enormous benefit by virtue of providing educational resources and opportunities that will empower all participants to make meaningful change that will lead to healthier employees, families and members of our community. We have seen participation rates in the Corporate Wellness Program that have far exceeded any previous program offerings. The IDLife Corporate Wellness Program has been a contributing factor in decreasing our Town Health Insurance Costs by approximately 3% as compared to the prior year.

We have found the IDLife Corporation to be extremely dedicated partners with a singular focus on improving the health and wellness of all those they serve.

Sincerely,

Michael J. Freda
