

**Working Dutch Shepherd  
Association of America**

The WDSAA is now open for bids to host the 2018 National Championship.

The WDSAA Championship allows other breeds to participate, but the National Champion must be a Dutch Shepherd (information will be provided at host request). Competitors will need to be members of an organization that is associated or is recognized by the American Working Dog Federation (AWDF).

The items we need to have in your proposal to host the Championship is as follows:

Date (from September 15 to November 30)

- Location of the event
- Photos where the event will take place
  - Tracking (possible conditions of terrain)
  - Practice tracking to be offered for people coming from other locations
- List of track layers and experience

Obedience and Protection field (photos)

- Equipment (Wall, Jump and dumbbells)
- Lay out of the field with the blinds in place
- Placing of the long down
- Location where the jumps will be placed

Parking area for spectators and competitors

A list of helpers with their qualifications

- Please attach each helpers biography (could be provided at a later date)
  - A list of possible judges
  - Championship Website

Deadline for proposal submission is December 20, 2017

The WDSAA will assist in any facet of the event. We have several members that have assisted, were in charge and held numerous successful Regional and National championships.

Please send proposal to:
