***Your
Mobile
Solution!***

Production Studio on Wheels! Attention all...

- Athletic Directors/ Sports Administrators
- Marketing Directors, Sales Managers
- Communication/Information Officers
- Mobile Brokers/Packagers
- Producers/Production Companies

So Many Options!

- Record a video with multiple camera angles for online & in-person presentations
- Live stream an event to different social media platforms (webinars, videocasts, product rollouts, training seminars, SMT)
- Broadcast a sports game/charity events
- Use high quality technology to impress your consumers

"Thanks again for your efforts and support of 'The Thin Light of Freedom.' This tape really looks great, as I knew it would. This production really demanded professional treatment, and you and your team (WCVE Video Productions) definitely provided that. It was a pleasure working with you, and I look forward to other, similar opportunities in the future."

Patrick Saylor
 Director, Marketing Communication
 The American Civil War Museum
 MPU Rental Client

Capture, Stream or Broadcast Live!

We Travel to YOU

With the Mid-Atlantic being our home base, we are accessible to major cities within a few hours or a day's drive!

You can use your staff or we can crew-up with our team for your project!

The MPU will always include our Engineer In Charge and a Production Assistant!

Quality Brand Names

It's a versatile production powerhouse! The MPU features brand names such as Ross, Grass Valley, Newtek, AJA, and Yamaha.
