### The James Ledlie Barr Memorial Prize in Humanities and Social Science

CMU Department of Social and Decision Sciences • May 2014

### Dean's List, High Honors

Dietrich College of Humanities and Social Sciences • Spring 2011 – Spring 2014

## EXPERIENCE

### Interaction Designer, Bloomberg LP

New York, NY • Mar 2015 – Present

Design workflows and interactions for collaboration and communication products on the Bloomberg Terminal. Gather user requirements through client interviews, feedback from sales teams, and usage data. Coordinate with product managers and engineers to develop a shared product vision and implement designs.

### User Experience Designer, Bloomberg Project

Pittsburgh, PA • Jan 2014 – Aug 2014

Researched, designed, and prototyped a mobile application for improving calendaring and scheduling at Bloomberg. Conducted user testing for each iteration of the prototype and incorporated the feedback in subsequent designs.

### Technology Consulting Intern, PwC

New York, NY • Jun 2013 – Aug 2013

Worked with a bank to support a middle- and back-office transformation for one of the top hedge funds in the world. Acted as technical liaison to bridge the gap between outsourced coders and in-house project managers. Coordinated with other interns to formulate strategies for improving morale and collaboration on the project; presented to the top leadership.

### Marketing Research Assistant, CMU

Pittsburgh, PA • Aug 2012 – Dec 2012

Assisted with an experiment that manipulated allowed decision making time in order to determine whether social defaults are unconscious or non-conscious processes.

## LEADERSHIP & ACTIVITIES

### Delta Gamma Fraternity, Beta Nu

Pittsburgh, PA • Nov 2010 – May 2014

Sophomore member of Honor Board in Spring and Fall 2012.

### Strong Women, Strong Girls

Pittsburgh, PA • Sep 2011 – May 2012

Mentor for young girls in the greater Pittsburgh community. Promoted social change through female empowerment.
