Occupational Therapy Screening for Handwriting and Fine Motor Skills

Dear Parent:

For the 2017-2018 school year, Stuart Hall is offering occupational therapy screening for handwriting and fine motor skills to be conducted at school. Occupational therapist, Kimberly Bradley, MS, LOTR, will be on campus September 5, 6, 11, and 12, 2017 to conduct these screenings.

The screenings are \$15 per child. Please make checks payable to **Kim4Kids, LLC**. Please turn in the permission slip and check by Friday, September 1, 2017 to school.

Please note any specific concerns you may have about your child's pencil grasp, hand dominance, writing (cursive or print), self care skills (such as buttoning, feeding, dressing), fine motor skills, cutting, or spelling.

You and your child's teacher will receive a written summary of our findings upon completion of the screenings.

Thank you for this opportunity to screen your child.
 Sincerely,

Kimberly Bradley, MS, LOTR
