

PRICE MATCHING POLICY

Multipest strives to deliver the best service at a fair price without compromising quality or workmanship. If you find a lower price on a comparable service or product Multipest will match the price offered by our competitor.

Terms and Conditions

The service or product to be price matched must be the exact same service or product that is being offered by Multipest.

The service or product to be price matched must be offered from a licensed termite and pest control company that hold the appropriate licenses, accreditations from government agencies and comparable insurances.

Multipest reserves the right to request written documentation of any competitor's quotation or contract and must be able to confirm the total price. We are unable to match competitor's prices that cannot be confirmed.

The Multipest price matching policy does not apply to sale prices, coupons, vouchers, bulk discounts or any other special promotions.

Multipest has a sole right to determine eligibility for our price matching policy and reserves the right to change this policy, at any time, without notice.

This policy does not claim any guarantee and Multipest reserves the right to determine eligibility.

The price matching policy is only applicable prior to the date of acceptance of the proposal or quotation and cannot be changed once accepted.

When matching the price offered by a competitor, Multipest will issue an amended proposal to reflect the new price.
