II. OLD BUSINESS

A. Award of Agreement for Construction Oversight. Shoun Reese explained we are requiring a Construction Oversight and Contract Administration Consultant to assist with the construction project at 1110 s 9th, the demolition of the Greco and Bunn, and the Canopy project. We omitted the MAU/HVAC project due to the costs; we feel we can manage that project in-house. The contract has a 3 year term with the option for two additional years if the construction projects are delayed. She requested authorization to enter into a contract with Hurst-Rosche to provide oversight for the Parking lot project, the Demolition project and the canopy project for an amount not to exceed $265,606.00 for a term of 3 years with two 1-year options.
Sue Davsko moved to award a three-year contract to Hurst-Rosche in an amount not to exceed $265,606.00 for construction oversight, seconded by Sandra Douglas. The motion passed unanimously on a roll call vote.

III. NEW BUSINESS

A. Prevailing Wage Ordinance Approval. Shoun Reese explained the Prevailing Wage Act requires us to file the ordinance before July 15. No new information from IDOL regarding when new rates will be available, so the survey deadline is extended to August 1st. Will need to revise the ordinance to include new rates once available from IDOL. We are requesting approval of the PW ordinance with the FY 2015 PW rates.

Wynne Coplea moved to approve the FY17 prevailing wage ordinance, seconded by Leslie McCarthy. The motion passed unanimously.

A. Change Order to A&E Agreement for Employee Parking Lot.

Tabled.
