

Open The Heavens

words and music by Chris Allen Band

KEY - B

FLOW : V / C / V / C / Instr. / B / C

VERSE 1

Humble our hearts to live in Your strength
Waiting for You, our rest is in You, under Your wings
Healing is found in Your name alone
Desperate for grace, restore us to praise, we bow to Your throne

CHORUS

Our hearts cry, open the heavens fall on us
We need Your presence, we need Your love, we need Your touch
Open the heavens reign in us
And let Your light shine victorious, we need Your touch

VERSE 2

Our God alone, is faithful and true
Our hope will rise as we lift our eyes
We look to You

BRIDGE

Forever You're faithful, Forever You're able
We call on Your name, Your glorious name
You're mighty in power, You're strong to deliver
We call on Your name, Your wonderful name
