Safety Measures at The Blind Cafe Experience

Live experiences produced by The Blind Cafe are happening again! We hope you will be able to enjoy them, knowing that we are taking your health and safety seriously.

We design each event to maximize safety throughout the experience:

All spaces will be set up with social distancing regulations in mind, including event seating and table spacing.

We are minimizing physical contact:

Tickets are contactless.

Cashless payments.

Hand sanitizer will be available at all events.

We will ensure that all attendees make use of Personal Protective Equipment:

The Blind Cafe is currently asking for patrons to have proof of vaccination or a negative COVID test due to the evolving situation regarding The Delta Variant.

*We understand that this is not ideal for everyone. We do not wish to force medical procedures or vaccinations on patrons, however due to the nature of our event and venue policies we must to implement this structure to be as inclusive and as safe as possible during this time*

All attendees at all events must provide proof of full vaccination or a negative COVID test prior to admittance. You can provide your vaccination card/test.
result photos by emailing photos to admin@theblindcafe.com during the ticket purchase process OR bring your documentation upon arrival.

Attendees must inform the event organizer if they have COVID symptoms or test positive for COVID within 2 weeks of attendance at an event, and organizers must notify admin@theblindcafe.com.

We will ensure safe interactions between our staff members and guests:

- All catering/venue staff will wear gloves and face masks or face shields where applicable.
- All meals served are pre-plated and pre-set for each guest (No waiters).
- All Blind Cafe staff are vaccinated.
- All staff will maintain high levels of hygiene through regular hand washing and the use of hand sanitizer.

We will create the safest possible environment:

- We will always operate at safe capacities set out by law.
- We will disinfect our event space frequently.
- We will minimize the use of unneeded objects and surfaces likely to be shared/touched by guests.
- For all of our events we are making sure that rooms have good air circulation and air purification when applicable. Because BCE spaces are rented, there are no overlapping events, so our experiences are held in controlled spaces.

At events, clear information regarding your safety will be a priority:

- We will communicate health and safety information at the beginning of each experience, so that every guest will be aware of the guidelines.
- Our employees will be fully trained on all safety measures and procedures.
