TEA: \$2.25

Tea Selection – Kilogram Organic Teas

English Breakfast (Black)

The slightly spicy malt character of our Organic English Breakfast gives way to sweet dried fruit flavors and delicate notes of spice. The rich and smooth body creates a cup with layers of depth not often found in breakfast teas. The sugary finish is slightly citric with a lingering flavor of toasted malt.

Emerald Spring (Green)

The nutty, sweet flavor of Organic Emerald Spring is a perfect introduction for novice green tea drinkers. Emerald Spring is mildly vegetal without the strong grassy or oceanic notes often associated with some green teas. The nuttiness is complimented by a rich, buttery body that further accentuates the more delicate flavors.

Jasmine Peach (White)

An authentic spring-picked white tea from southern China scented with jasmine blossoms. The delicate, refreshing character of this tea is enhanced with the essence of peaches.

Ginger Plum

A caffeine-free herbal tea that blends ginger with natural flavor of ripe plums. This scarlet infusion is sweet and tart with just a touch of spice.

333 Blend

A blend of the finest rosehips, chamomile, and peppermint available. The sweet tart rosehips provide a perfect base for the warm honeyed flavors of the chamomile and the soothing character of our peppermint.

Earl Grey

Our version of the traditional English favorite features real bergamot oil, matched with a full-bodied Yunnan black tea to produce an intense floral citrus flavor with a smooth, lingering finish.

Turmeric Tonic

This spice caffeine-free infusion draws its flavor from pungent turmeric, hot ginger, and combination of lemon and lime. The flavor is slightly bitter, earthy and citrusy sweet. It tastes great served hot or cold and pairs well with a slice of fresh lemon and some honey.

King Crimson

The hot tea version of our hibiscus blend is a combination of rosehips, lemongrass, licorice root, and natural citrus flavors. Tart and fruity, the layered flavor matches the intensity of the bright red infusion for a great naturally caffeine free cup.

CIRCLE CITY KOMBUCHA: (Ask about today's selections)

Kombucha is an effervescent fermented tea, which is deliciously healthy, lightly-caffeinated, low in sugar and packed with Vitamin B and probiotics. MAY CONTAIN TRACE AMOUNTS OF ALCOHOL (LESS THAN 0.5%) • DO NOT SHAKE • IF PREGNANT, PLEASE CONSULT A PHYSICIAN BEFORE DRINKING
