

Credit for Internships and Experiential Learning Opportunities in the Chemical and Biological Sciences

Course No.	On- Or Off-Campus?	Content	Academic Credit?	Comments
BSCI 258 CPSP 259L	Both	Individually determined	Yes ¹	Student must be in College Park Scholars By Permission Only Contact: Becky Kenemuth College Park Scholars in the Life Sciences 301-405-0528 rzonies@umd.edu
BSCI 289	Off	Off-campus research internship	Yes ¹	By Permission Only Requires a written contract Contract available at: http://chembio.umd.edu/undergraduateprograms/researchandinternships/for_msandinformation sheets S/F grading option only Contact: Dr. Kaci Thompson Director of Undergraduate Research & Internship Programs 301-405-3353 EXCELS@umd.edu
BSCI 279 BSCI 338Z	On ³	Individually determined, under the supervision of a Department of Biology faculty member	Yes ¹	By Permission Only Contact: Dr. Jeff Jensen Director of Undergraduate Studies Department of Biology 301-405-5912 jensen@umd.edu
BSCI 348R	Off	Off-campus research internship in microbiology	Yes ⁴	By Permission Only http://cbmg.umd.edu/undergraduate/researchopportunities/bsci348researchinmicrobiology Contact: Instructor listed in Schedule of Classes or on web site
BSCI 379M BSCI 379G BSCI 379P BSCI 379H ²	On ³	Research with Department of Cell Biology & Molecular Genetics faculty member	Yes ⁴	By Permission Only http://cbmg.umd.edu/undergraduate/researchopportunities Contact: Dr. David Straney Director of Undergraduate Programs Department of CBMG 301-405-1622 straney@umd.edu

Course No.	On- Or Off-Campus?	Content	Academic Credit?	Comments
BSCI 389 BSCI 389H ²	On ³	Research with Department of Entomology faculty member	Yes ⁴	By Permission Only Contact: Dr. Brett Kent Director of Undergraduate Studies Department of Entomology 301-405-3912 bkent@umd.edu
BSCI 399 BSCI 399H ²	On ³	Research with Department of Biology faculty member	Yes ⁴	By Permission Only Contact: Dr. Jeff Jensen Director of Undergraduate Studies Department of Biology 301-405-5912 jensen@umd.edu
CHEM 398 ² CHEM 399A CHEM 399B CHEM 399C	On ³	Research with Department of Chemistry & Biochemistry faculty member	Yes ⁴	By Permission Only http://www.chem.umd.edu/undergraduateprogram0/currentstudents/researchopportunities Contact: Dr. Michael Montague-Smith Academic Programs Coordinator Department of Chemistry & Biochemistry 301-405-1791 mpms@umd.edu
UNIV 099	Off	Individually determined	No ⁵	Open to all students in the university Contact: Career Center 3100 Hornbake Library 301-314-7225

NOTES:

¹ Not applicable to Advanced Program requirements.

² For participants in departmental Honors programs.

³ Consult with the appropriate departmental Director of Undergraduate Programs or faculty sponsor to determine if credit can be granted for off-campus experiences.

⁴ Consult your academic advisor to determine the applicability of these credits to your degree requirements.

⁵ Students register for UNIV 099 so the transcript records that the student was involved in an internship during a given semester. This also satisfies the requirements of some internship providers that require the student be registered for credit at the time of their internship. Consult the Career Center (301-314-7225) for further details.
