INTRO | EINLEITUNG

Piet Boon

Piet Boon (b. 1958) started his career as a contractor. Now, 25 years later, he is one of the most well-known Dutch designers. Together with his wife Karin, he leads a design studio with a team of architects and designers.

The point of departure for his designs is that, besides a well-thought-out design, they should be timeless and made to last. A distinctive element for his work is his love of pure, genuine and natural materials.

The ONE collection by Piet Boon can be described as basic chic, with attention to operational comfort and detail. Not only the design but as well the material is made to last, being fully made of stainless steel.

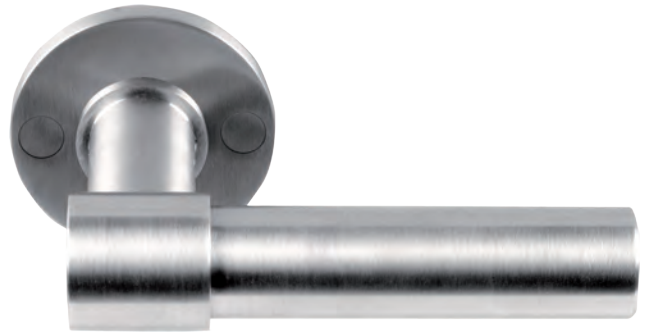

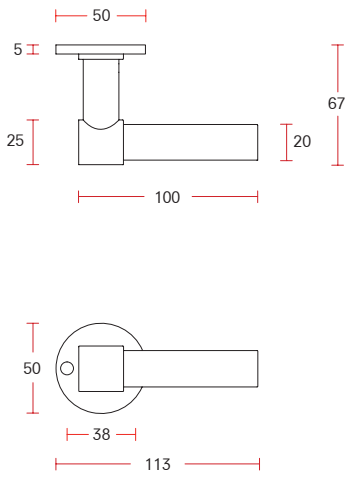

Piet Boon (geb. 1958) begann seine Karriere als Bauunternehmer. Heute, 25 Jahre später, ist er einer der bekanntesten niederländischen Designer. Zusammen mit seiner Frau Karin leitet er ein Designstudio mit einem Team von Architekten und Designern.

Der Ausgangspunkt für seine Entwürfe ist, neben einem gut durchdachten Design, dass sie zeitlos und für die Ewigkeit gemacht sein sollten. Ein kennzeichnendes Element für seine Arbeit ist seine Liebe zu reinen, echten und natürlichen Materialien.

Die ONE Kollektion von Piet Boon kann als "Basic Chic" beschrieben werden, wo Details und komfortabler Bedienbarkeit im Vordergrund stehen. Nicht nur das Design, sondern auch das Material wurde unter dem Gesichtspunkt der Ewigkeit gewählt, da es vollständig aus Edelstahl rostfrei ist.
