The Y.® For a better us.
EMERGENCY CHILDCARE

The Y is committed to strengthening community. During this challenging time, the Fulton County YMCA remains open for Emergency Childcare services for our first responders and health care workers. We are proud to partner with you as we grow stronger together!

Important Information

- Our licensed daycare and school-aged childcare programs are ready to accept additional children through our Emergency Childcare Initiative, infants through Grade 5.
- Safe hand-off protocols are in place to limit exposure for our staff and your child.
- Temperature scans are performed at drop off and pick up as well as visual audits to check for respiratory and flu-like symptoms. Those presenting with temperatures of 100 degrees Fahrenheit or over are not permitted to enter; those presenting with symptoms may return after 2 days without symptoms or a physician’s note.
