My feet they won't move

I dare not trust my carnal blood

I'll wholly lean on you

Jesus, Jesus... In you I'm hidden & I'm safe
D/B D
Jesus, Jesus... In you I'm given life & grace

When darkness tries to hide your face
My feet they won't trip
Through every storm & restless place
Your voice will guide me safely home

D/B D
When the trumpet sounds, May I be found... in you
D/B D
Clothed in your righteousness and found in your truth
