## **5-pc. Band**

The 5-pc. configuration is the core Super Deluxe group, which features band leader, Wilton Elder, on lead vocals and saxophone, plus a full rhythm section comprised of one keyboardist, guitarist, bassist, and drummer.

This 5-member combo is great for rehearsal dinners, small weddings, corporate events, and private parties, and can easily cover the entire range of popular and regional music that you want to hear at your party, from Sinatra swing and New Orleans jazz to mainstream classic rock, funk and your favorite hip hop hits!

The 5-pc. band is ideal for small to medium size venues that allow for a minimum stage size of 16 feet wide by 12 feet deep.

Pricing for the 5-pc. band starts at \$2,500.

## **6-pc. Band**

The 6-pc. band expands from the 5-pc. lineup to include a lead female vocalist!

Over the years, some of the finest female vocalists in South Carolina have joined Wilton on the front line. Kanika Moore, Aisha Kenyetta, Christian "Black Diamond" Smalls, Joy Gregory, Zandrina Dunning, and many more have appeared with Super Deluxe from Tennessee to Florida over the last 5 years.

By adding a lead female vocalist to your Super Deluxe band, your party sound track opens up to all the classic soul and jazz, 70's disco, 80's synth pop, and modern radio hits from some of the all-time great divas including Aretha Franklin, Etta James, and Whitney

Houston, to Mariah Carey and Norah Jones, to Rihanna and Taylor Swift!

The 6-member combo has been the most highly-requested ensemble for Super Deluxe over the years! What other party band can pack so many sounds into a band with only 6 people?

The 6-pc. band is ideal for medium to large size venues that allow for a minimum stage size of 20 feet wide by 12 feet deep.

Pricing for the 6-pc. band starts at \$3,100.

### **7-pc. Band**

The 7-pc. Super Deluxe band is currently the largest, stand-alone band we are offering, which includes both lead male and female vocalists, a full rhythm section (drums, bass, keys, and guitar), and a 2-pc. horn section (saxophone and lead trumpet)!

The addition of a dedicated lead trumpeter allows your party's music to sound more like the original recordings you grew up listening to; all those classic Motown, oldies, R&B, funk, and classic rock tunes will be enhanced, from Chairmen of the Board and Steely Dan to Earth Wind & Fire and Michael Jackson, to Justin Timberlake and OutKast!

The 7-pc. band is a great fit for large venues that allow for a minimum stage size of 20 feet wide by 16 feet deep.

Pricing for the 7-pc. band starts at \$3,800.

## **Super Deluxe With Strings**

If you are looking for traditional classical music for your upcoming event, we can arrange for you to hire a refined string duo or trio, produced by Andrew Mille and Classical Charleston.

The duo is Andrew himself on cello along with violin, and the trio adds a violist to the duo instrumentation.

If you want a taste of the refined *and* the funky at your next party, ask Wilton about Super Deluxe With Strings where he joins forces with Andrew's string trio to form a 10-pc. party orchestra with horns and strings.

For these high-class events, you will enjoy three stages of live music by trained professionals: 1) Classical Charleston will play one hour as a trio (great for wedding ceremony), 2) followed by one hour of music by both the string trio and the 7-pc. party band (great for cocktail hour or dinner), 3) followed by two more hours of high-energy dancing to Super Deluxe live music show!

This group is a great fit for very large venues that allow for a minimum stage size of 24 feet wide by 20 feet deep.

Over the years, Super Deluxe has occasionally appeared with eclectic instrumentation like the addition of background vocalists, various wind instruments (trombone and EWI), and an all-vinyl, old-school DJ!
