

BOISE *meets*
WORLD
RUJA 5K

RUJA is a Boise nonprofit empowering children who are victims of child labor, abuse and displacement in Uganda through family, education and therapy. We believe that these children are the future of Uganda and have the ability to create change across Africa.

We would like to invite you to participate with us in our mission of empowerment as we host the 3rd annual Boise Meets World 5K. This is a family friendly event aimed at raising awareness and growing our local family of influencers right here in Boise.

We are currently in need of supporters to help make Boise Meets World a success. We are looking for cash sponsorships to secure our location on the Boise Greenbelt, obtain required permits, pay vendor fees, and other associated costs. We are also looking for items to be donated for our racer's packets and winner's prizes, such as, but not limited to: coupons, gift certificates, products, services, etc. We would love to feature your business as a supporter of empowerment!

Here are the Boise Meets World sponsorship levels and benefits:

\$500 (cash or in-kind) - Your name and logo on our: registration website, all marketing materials, event t-shirt; banner at one "half-K" marker, as well as recognition at the event and feature on our social media platforms.

\$250 - Your name and logo on marketing materials, event t-shirt, website and recognition at the event.

\$100 - Recognition at the event.

If you are interested in sponsoring this event, you can simply mail your contribution to the address listed below and designate it to Boise Meets World or donate online at ruja.org/give (select the campaign "Boise Meets World"). We look forward to talking further about the details of your sponsorship. Thank you for your time and generosity! We are so grateful!

Best Wishes,
