## DUNAMIS CHURCH

### PS SHAUN & SANDRA HANSEN

*The month of May ushers in Mother's Day celebrations. In Australia, Mother's Day was begun by Janet Heyden, a resident of Leichhardt, Sydney, in 1924. She began the tradition during a visit to a patient at the Newington State Home for Women, where she met many lonely and forgotten mothers. To cheer them up, she rounded up support from local school children and businesses to donate and bring gifts to the women. Every year thereafter, Mrs Heyden raised increasing support for the project from local businesses and even the local Mayor.*

*This year at Dunamis, we choose to celebrate Motherhood by blessing every mother who attends our services with a special gift. Ps Sandra will be sharing the message during our Mother's Day morning service followed by a very special celebration in the evening featuring Opera singer Tim McCallum. Tim became a quadriplegic at the age of 18 but has since used his condition and his vocal talent to inspire many with a message of strength and hope. Tim appeared on the 2015 season of The Voice where he amazed judges and the audience with his talent and spirit.*

*Let me encourage you to press into God and make the effort to join with us at one of our services. Position yourself to be blessed and receive the favour of God.*
