

MOJAVE TRANSPORTATION MUSEUM

March 9, 2015

Dear Friend of Plane Crazy Saturday,

The Third Annual Mojave Experimental Fly- In/Plane Crazy Saturday will be held at Mojave Air and Spaceport on April 18, 2015 from 10 a.m. until 2 p.m.

This fly-in is a great opportunity to showcase the Mojave Air and Spaceport on a much larger scale than the standard Plane Crazy Saturday events held each month. Last year the flightline was full of aircraft all the way from the original Marine Corps Air Station tower to the new tower! Homebuilt's, air racers, one-of-a-kind experimental's and historic aircraft were lined up for free public viewing.

We are seeking donations to help cover the added costs of airport expenses not covered in the generous contribution approved by the MASP Board of Directors and to purchase welcome gifts for pilots participating in the fly-in. We would greatly appreciate it if you could help us. Any amount from \$25 to \$250 will be most appreciated.

We will have a sponsor board with all names listed on display at the Voyager Restaurant patio and we hope to be able to add your name to the list!

Please make checks payable to: Mojave Transportation Museum Foundation or MTM with a notation for MEFI and send to P. O. Box 155, Mojave, CA 93502. We are a 501 (C) 3 organization, EIN 73-1675068.

Sincerely,

*Catherine A. Hansen*
