

# CLASSICAL BALLET SCHOOL TUITION & FEES

## 2017-2018 Season

**Every year in June, the students of Classical Ballet School perform a full-length story ballet. This season...RAPUNZEL!**

- ★ Student tuition is set on a sliding scale. The more classes in which the student enrolls, the greater the discount.
- ★ Tuition includes both class instruction and performance rehearsal instruction. It is an averaged amount that remains the same regardless of the number of classes offered or attended.
- ★ Families with multiple students will receive a tuition discount of 3% for each child, after the oldest. An additional tuition discount of 3% is available to those who would like to pay the entire season tuition in advance by cash or check (11 x monthly tuition = annual tuition). Monthly tuition will be charged to the credit card on file at the first of each month (Aug-June) and will incur a 3% convenience charge.
- ★ A non-refundable registration fee of \$30 is charged at the time of enrollment. Dance With Me, Creative Movement, Little Tappers, and Pre-Ballet students are required to pay the first and last month's tuition in advance. The performance fee is \$300 and includes a t-shirt and professional video of the performance. Half the performance fee is due at enrollment and the other half not later than October 31, 2017. These fees and payments are not discounted or refundable.
- ★ Calculate the student's tuition by adding up the number of hours the student is in class per week (see reverse), then find the corresponding monthly tuition on the table below.
